The Challenge

We moved our operations from Surrey in 2007 and needed to find a good, reliable packaging supplier. We tried various options, but Springpack came out on top with a good, friendly, helpful service and were always ready to go the extra mile to provide what we needed.

The biggest challenge we had was printed boxes that before using Springpack, we had to buy in such large bulk. Springpack helped us by holding stock for us where we could call off in smaller quantities, which saved on a lot of warehouse space.

Designing bespoke products with Springpack is very easy. Their reps and staff are very knowledgeable and have always got plenty of ideas. They come up with various ideas and options, so you don't have to do the thinking.
